Ed,

What is the name of the site, SSID # and what timeframe do you want the report pulled for (i.e., inception through most current or some other period)?

Hi David,

Please take a look at Ms. Cagle's email below. Can you or Doretha please obtain a cost summary of our past costs for this response? I'm guessing that once we get that, we can make our cost recovery demand if Ben and Lydia agree.

Thanks,

Ed Q.

Ed,

Happy Summer. Remember the Ergon matter? We understood that EPA might

claim response costs related to the water issue. Where is the agency on that claim?

Best, Molly
